

Booth Talks
#2809

MONDAY | JUNE 9

10:00 | 15:00

Blueback Horizontal Well Planner: A new multi-lateral well planning tool for Petrel

by René Dam Pedersen

10:30 | 16:00

Blueback Wells Toolbox: Blending yesterday's lessons, today's insights, and tomorrow's possibilities in Petrel

by Jezy Cooke

11:30

Seamless deployment of python code to Petrel objects: An overview of Cegal Prizm

by René Dam Pedersen

13:30

Cegal Data Program: Subsurface data clean-up before migration. Assessing, rationalize and report before move and improve

by Zaphod Peters

14:30

Blueback Geophysics Toolbox: Innovative seismic tools unlocking fresh perspectives on legacy and modern data in Petrel

by Jezy Cooke

TUESDAY | JUNE 10

10:00 | 14:30 | 16:30

Blueback Wells Toolbox: Blending yesterday's lessons, today's insights, and tomorrow's possibilities in Petrel

by Jezy Cooke
